

IEEE ISPCE-ASIA 2021

October 21-22, 2021 · Taipei, Taiwan

IEEE International Symposium on
Product Compliance Engineering-Asia

CALL FOR PAPERS

Organizers

General Chair

Wen-Chung Kao, National Taiwan Normal University
Maxi Tsai, CSA Group
Claire Tsai, Lenovo

Technical Program Chair

Flore Chiang, UL Taiwan
William Meng, CSA Group
Dessy Lee, HP Enterprise

Important Dates

**JUN.
20**

Formal Paper/Reviewable Presentation
Submission Deadline

**JUL.
20**

Acceptance Notification Deadline

**AUG.
25**

Final Camera-ready Paper/Presentation
Submission Deadline

Topics for ISPCE-ASIA 2021

Safety + Security

- Compliance 101 - Introductory or Advanced Design for Compliance
- Compliance Data/Documentation Management
- Field Inspections & Evaluations
- Laboratory Safety
- Forensics, Failure & Risk Analysis
- Connected-World: Cybersecurity
- Data Center Safety
- Global Market Access
- EMC & Wireless Compliance
- Hazard-Based Safety Evaluations
- Hazardous Locations
- Medical Devices & Health Science
- Batteries & Energy Storage Systems
- Legal Regulations, Directives & Consumer Protection
- Codes & Standards Development

Environment

- Environmental Regulations
- Sustainability & Circular Economy
- Responsible Sourcing
- Air Quality
- Energy Efficiency Codes
- Renewable Energy

Human-Machine Collaboration

- Unmanned Ariel Vehicles
- Collaborative Robotics
- Surgical, Medical and Assistive Robotics
- Autonomous Vehicles Technologies
- Functional Safety
- Ergonomics/Human-Factor Engineering
- Usability Evaluation
